MOTION FOR AN ENLARGEMENT OF TIME

Now comes undersigned counsel and requests an enlargement of time through and including May 30, 2008 to respond to the Court's Procedural Order for defendant requesting relief because of the amendment to the Unites States Sentencing Guidelines (cocaine base).

As grounds of this request undersigned states as follows:

1. The parties disagree with respect to the defendant's eligibility for a sentence reduction; given the current case-load of undersigned counsel, additional time is needed to review Mr. Terry's file and research the issue to prepare defendant's memorandum regarding eligibility.
2. Given the length of Mr. Terry's sentence, the requested enlargement of time will not prejudice him should the Court determine that he is eligible for a reduction.
3. The United States (AUSA Glenn MacKinlay) does not oppose this request.

Respectfully submitted,
SHELTON C. TERRY
By his attorney
